Description: Raising a gifted child is both a joy and a challenge, yet parents of gifted children have few resources for reliable parenting information. The four authors, who have decades of professional experience with gifted children and their families, provide practical guidance in areas such as: Characteristics of gifted children; Peer relations; Sibling issues;...

Review: I bought this book for both my daughter and myself because her 6 year old son has been labeled as gifted. This book is FANTASTIC. My daughter says it is like she is reading specifically about her son. It is well written, easy to read and loaded with information. I am sure both of us will be referencing it for years to come. The authors REALLY know what...
